

Workmaster Storage Cabinets

Workmaster Storage Cabinets provide durable, high-capacity storage for tools, instruments, supplies, documents, and production materials. Built from welded steel and available in dozens of drawer and cabinet configurations, these industrial storage cabinets help keep workstations organized, efficient, and ready for the task at hand.

- Available in narrow and wide models with more than 80 drawer and cabinet configurations.
- Up to 25.9 cubic feet of storage capacity for tools, supplies, parts, and equipment.
- Welded steel construction provides long-lasting durability in demanding industrial environments.
- Choose from 3", 6", and 12" drawer heights to organize a variety of items.
- Heavy-duty drawers support up to 100 lbs. each.
- Chip- and chemical-resistant powder coat finish stands up to everyday use.
- Standard widths of 30" and 48" with a 26" depth and 56" overall height.
- Maximum cabinet load capacity of 1,000 lbs.
